

Spanish Fiesta

Three arrangements of five of Albeniz's and Granados's most popular pieces. Each set contains a violin III part doubling that of the viola and all are playable by string quartet or orchestra.

Elgar – Music for String Orchestra

We are delighted to offer Elgar's unrivalled contribution to the English string orchestral repertoire, with score & parts priced at just \$3 and \$6 per set. The series includes:-

- Serenade
- Serenade for Strings
- Elegy for Strings
- Introduction and Allegro

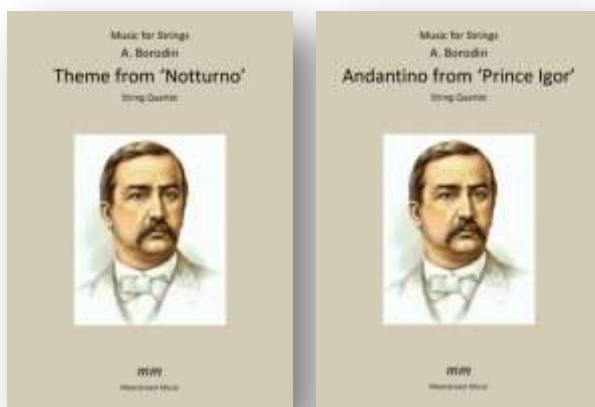

From Venice to Verona

Like the composer's immensely popular Venezia, Via Capello aims to capture the spirit and vitality of the Italian baroque. The set contains a violin III part doubling that of the viola. Click [here](#) to listen to a recording of the piece.

Borodin

Two of Borodin's best loved pieces arranged for string quartet. Both sets contain a violin III part doubling that of the viola.

Below is just a selection of items published within the last few months. Click [here](#) to visit our 'Free Scores' page and download our latest catalogues by category, composer and title.
